

Paul Timm

Author of *School Security: How to Build and Strengthen A School Security Program*

Paul Timm, Vice President of Facility Engineering Associates. He is a board-certified Physical Security Professional (PSP), the author of *School Security: How to Build and Strengthen a School Safety Program*, and a nationally acclaimed expert in physical security.

In addition to conducting numerous vulnerability assessments and his frequent keynote addresses, Paul is an experienced Crisis Assistance Team volunteer through the National Organization for Victims Assistance (NOVA). He is certified in Vulnerability Assessment Methodology (VAM) through Sandia National Laboratories and the ALPHA vulnerability assessment methodology. He is also a member of ASIS International's School Safety & Security Council and the Illinois Association of School Business Officials' Risk Management Committee.

Paul recently earned his Master's degree from Moody Theological Seminary.

Hear from Paul Timm, along with survivors of school shootings and safety incidents, at the **National Summit on School Safety**, March 28-30, 2019 in Houston, Texas. This conference is presented by Safe and Sound Schools and Region 4 Education Service Center and will focus on comprehensive school safety. With deep-dive breakout sessions, hands-on workshops, leadership round tables, inspirational keynotes, and dedicated networking, attendees will add to their school safety toolbox to better meet their community's school safety needs.
